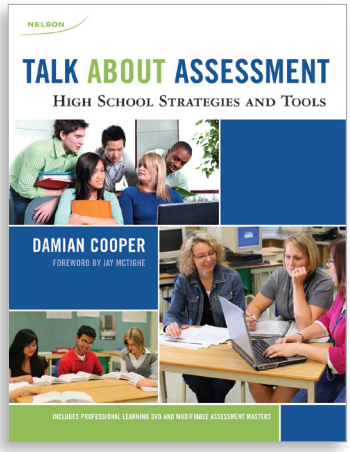
# *Talk About Assessment*

## High School Strategies and Tools



**Damian Cooper**

*Assessment and grading approaches for the 21st century!*

*Talk About Assessment: High School Strategies and Tools* builds upon the eight "*Big Ideas*" of assessment as outlined in Damian Cooper's bestselling book for elementary schools, *Talk About Assessment: Strategies and Tools to Improve Learning*. This new and concise professional learning resource includes practical examples for all types of assessment, including rubrics, checklists, case studies, anecdotes, and examples for grading and reporting, and provides support for all types of assessment: initial/diagnostic, formative, and summative.

Included with *Talk About Assessment: High School Strategies and Tools* is a companion DVD featuring all assessment tools referred to in the book in modifiable form to enable teachers to adapt and customize tools to meet their individual needs. The companion DVD also includes 10 professional learning videos featuring real high school classrooms where best practices in assessment are brought to life.

### About the Author...

Damian Cooper has been a teacher, consultant, and a curriculum developer at both district and provincial levels. His current work focuses on helping teachers and administrators to connect curriculum, instruction, and assessment. Damian has been the assessment consultant to a number of highly successful Nelson Education textbook series.
