## Strategies and Tools to Improve Learning

**Damian Cooper**

**A comprehensive program to simplify, demystify, and shift thinking around assessment.**

Conducting effective assessment has long been perceived as time-consuming and confusing. Damian Cooper's new must-have program, *Talk About Assessment*, simplifies, demystifies, and shifts thinking around assessment for elementary students. With a firm focus on making your own assessment practices more effective and efficient, *Talk About Assessment* gives you the tools to help your students improve their learning. Featuring a comprehensive book, DVD, CD-ROM, website, and customizable professional development courses, *Talk About Assessment* is an all-in-one solution for your assessment needs.

The course and website use the book as a foundation to further explore assessment topics relevant to teachers in today's classrooms.

### About the Author...

Damian Cooper has been a teacher, consultant, and a curriculum developer at both district and provincial levels. His current work focuses on helping teachers and administrators to connect curriculum, instruction, and assessment.
